Each client is important to our firm, exemplified by our commitment to quality, dedication to valuing assets fairly, delivering a high level of transparency in our reporting, and maintaining open communication throughout the valuation process.

EXPERTISE

NVC completed thousands of valuation and advisory assignments for retail properties located throughout the United States. Our expertise in the property type is extensive, with assignments ranging in scope from single-tenant properties and grocery-anchored retail centers to regional malls, power centers and hybrid property types including mixed-use "new urbanism" developments. Our retail valuation team also has extensive experience with a broad array of specialized retail properties including restaurants, retail banking facilities, drugstores, theaters and entertainment venues.
